EXPERIENCES

2009 - 2024

COLOURIST (GRADING, FINISHING, MASTERING)

Freelance

I have had the pleasure of correcting, grading and finishing a wide variety of productions, including feature films, episodic drama, TVCs, music videos, documentaries, childrens and factual programming. I am proud to be a professional member of the Colorist Society International (CSI).

2020 - 2024

DAILIES COLOURIST

Various Organisations

Working with digital workflow organisations incl. The Rebel Fleet, Technicolor, Picture Shop (AU, US and UK teams) on Disney, Netflix, Amazon Originals and Apple TV+ shows and feature films. Dailies graded on ColorFront OSD / EXD and FilmLight Daylight platforms.

2015 - 2020

IN-HOUSE COLOURIST

Pow Wow Film Studios North Sydney, Australia

As the in-house colourist at Pow Wow Studios, I graded a wide range of feature films, documentaries, broadcast programming and music videos. Additionally, I managed the technology of the grading suite in response to the needs of the projects, advising post-production workflows, data management, networking, and hardware solutions.

2019 - 2020

ASSISTANT COLOURIST (D.I. DEPT)

Animal Logic, Sydney, Australia

Working in FilmLight Baselight 5.2 for Peter Rabbit 2. Reporting to the in-house and supervising colourists offering up creative grades, prepping scenes, tracks, shapes, paint fixes, identifying picture issues, director requests, QCing incoming compositions, outgoing renders, and handling master and delivery exports.
